

Flinders Park Tennis Club

Top Shot Tennis

Hot Shots: Three stage programme for children 5yrs to 12yrs. Preparation for match play based on modified games and improved technical development.

We offer all levels of coaching from beginners through to advanced game strategy and refining player techniques. Our beginner programme is based on the **MLC Hot Shots** as endorsed and promoted by **Tennis Australia**. The Hot Shots programme progresses children step by step from beginners (Red Ball) using modified equipment through to developing their skills ready to play on a full size court (Green Ball). At each stage children participating in this programme will play the game of tennis learning to serve, rally and score while developing technical and tactical skills. Children who already have the basics of tennis will be placed in a group that matches their ability.

We will be running **Hot Shots** six days a week at a time that suits you including Sunday mornings and would love to welcome you to the Flinders Park Tennis Club.

Phone: Julia Heath ~ 0417822676

FEE - Hot Shots Group Sessions \$80-\$90 per 8wk Term
(6 - 8 children per coach per session)
